

I-40 at I-27 Interchange Facing West

Size: 14'x48'
Direction: Facing West for eastbound traffic
Illumination: Yes
Traffic: 97,400 cars per day
Price: \$1800.00 per month

Longs/Lats: 35.1921200 / -101.8325000

Description:

This High Profile bulletin is located on the east side of the I-40 / I-27 Interchange. It has the highest traffic count in this part of Texas. Facing west it reads to all eastbound traffic. It is a NEXT EXIT for Ross/Osage Streets. Located on railroad right of way, the sign face is allowed to be closer to traffic than other billboards. It appears you can reach out and touch it as you drive by. It would be a great brand awareness sign for any business.
